

Spread the Sunshine Referral Program

Terms & Conditions

- This program is open to anyone who submits a potential solar client's name, phone number, and email address, to PV Squared via the "Spread the Sunshine" referral form on our website.
- To be eligible, the referral must be made before the potential client has received a project proposal from PV Squared. In some cases, a person that you refer may already be an active entry in our database. If that is the case, you will be notified upon receiving your referral.
- Should the person referred move forward with a solar project with PV Squared, we will make a donation to the featured non-profit. Payment will be made after the solar project installation is complete.
- Referral Rewards can only be made to organizations recognized by the U.S. Internal Revenue Service with 501(c)(3) status in good standing.
- Only one Referral Reward may be paid per installation, and referrals MUST be entered through this form to be verified and valid.
- By referring a potential client to PV Squared, the Participant agrees to the terms of this referral promotion which constitutes the entire understanding and agreement between PV Squared and Participant.
- The referral promotion may not be combined with any other promotions or offers from PV Squared.
- PV Squared reserves the right to end this program, or to make changes to the Terms and Conditions, at any time.
